

ABOUT WESTPORT INSURANCE CORPORATION

Insuring lawyers since 1972, today Westport insures more than 23,000 law firms and enjoys the privilege of having obtained more Bar endorsements nationwide than any other insurance company.

This financial strength, together with years of professional liability experience, provides Westport with the ability to offer firms an impressive product tailored to meet their unique needs, while providing the best coverage and protection available.

In addition to its policy's excellent protection, Westport's commitment to its clients includes a pro-active program of claim prevention and effective risk management tools and techniques.
